651	10/19/88	Larry R.	Hahn	776	635-C; 5011	Appleton	WI	In October 1988 seven youths admitted to sexual abuse by registrant. Was charged with seven criminal accounts including three counts of 2nd degree sexual assault, two counts of photographing boys engaging in sexually explicit conduct and one count of enticing a child into his residence for sexual gratification and one count of committing a sexual act of gratification with a boy. Pled guilty. The police investigation showed that the registrant's sexual activity dated back to the 1970s with more than ten victims.	In February 1989 the charter was suspended and all registered adults and meetings of Ship 5011 were suspended. It was suspected that several other individuals were also committing sexual assault on boys. In May 1989 an article was written that the boy scouts had always had youth protection policies but now instituted other methods to weed out pedophiles. They indicate that they performed back ground checks, references must be checked, criminal history must be provided. Leaders in scouts are never supposed to be alone together. Document 21124 is a hot doc – a police officer was accused of ignoring the police of four sea scouts in 1975 to investigate Hahn for the knife point sexual assault of a boy at a scout meeting. A lawsuit was filed against the city for this cover-up and subsequent sexual abuse of another boy. Document 21111 is an article dated August 1989. Two former sea scouts testified that various adult advisors in the boy scouts explorer program failed to act in 1975 on reports that Hahn was sexually abusing them. Document 21108 is also a hot doc indicating that other advisors in scouting knew of the abuse.
652	01/12/84	Gwenn	Hale	1353	141-T	Chicago	IL	Sentenced to 16 years in prison for sexual relations with a 13-year old boy. 744	08/09/88	Daniel	Hopgood	790	0145-S	Mt.Clemens	MI	Suspended in 1988. However, in February 1986 there are notes that show he was witnessed sexually abusing several scout during the summer of 1985. In 1969 he was accused of improper sexual conduct and in 1977 was accused of sexual misconduct with a 15 year old boy. Also alleged to have some sort of sexual conduct with a scout in 1981. Other prior sexual allegations had also been made.	Why was no action taken in 1986? He was suspended in March of 1986 based upon all of the prior sexual allegations but not put on the IV file until 1988, 2½ years later and from the looks of it he probably shouldn't have ever been involved in scouting.

858	06/04/84	Louis Charles	Kelsey	1360		Arcadia	MI	Registrant resigned in November 1983 after being accused of seven counts of sexual misconduct. He plead guilty to the charge of one count of second-degree criminal sexual conduct and was convicted in April 1984. Sexual misconduct was conducted with Cub and Boy Scout aged boys. Registrant has been registered in the Council for 20 years as a District Committee man, District Commissioner, and various unit positions.	Doc. # 1757: Executive Paul Ryan from Scenic Trails Council directs a letter to Paul Ernst regarding Kelsey. We only made a light investigation into his camp activities, and could find no sexual misconduct there. We are fairly certain that these charges definitely did involve Cub Scouts, although, no parents have contacted this office, or any other members of the District Committee. (Letter dated June 4, 1984.) Doc. # 1758: From Paul Ryan of Scenic Trails to Paul Ernst, stating that approximately three years ago (1983) Kelsey was convicted on a charge of child molestation involving WEBELOS Cub Scouts. His name was placed in the confidential file. After that date, the Council was sued for letting him be involved in Scouting and I believe Risk Management settled the matter for \$13,500.00.

On 2/21/85, Ernst directed another letter to Heart of America Council stating that one year has elapsed since [Kennedy] was placed on probationary status. Letter from wife attached asking why the boy scout council continues to sit on the fence after the investigation. Registrant continued to visit scouting events as he was not officially banned by the Boy Scouts.	Article discusses how Boy Scouts routinely allow churches, service organizations and personal groups select scout leaders in an effort to prevent child molesters from joining. Also states that if cleared of the charges, he can re-register with scouts. Scouts continued to take a wait and see approach even after investigations concluded that he had molested the boys. Other scouters were not aware of the facts and continued to support Mr. Lister's return.

Then in April 1989 after he was registered with the boy scouts, he was sentenced to eight years in prison for sexually assaulting a boy in his cub scout troop. 1053	09/17/90	Richard	Mason	256	371-P	Whitehall	OH	Registrant was suspected of child abuse and many leadership concerns.	Attorney Notes: Doc. # 6855 states that Mason should not be a leader of Scouts and it is a high-risk situation; that doc dated 12/15/88. In 3/90, Doc # 6870: A standards of leadership committee meeting was held and they found that Mason would not be put in the confidential file because there were no specific allegations. However, this file shows there are a lot of leadership concerns as well as several suspected incidents of child abuse. Docs. # 6849-6850 (dated 10/01/87) indicate several questions about Mason and his potential for molesting children. Why did it take them nearly 3 years to come to a decision about Mason? [As a side note: Mason is retarded and there were concerns about the backlash if any action was taken.]
